2021-2022 COLLEGE NOW ENROLLMENT GUIDE FOR HIGH SCHOOL STUDENTS

JCCC's College Now program provides high school students with an opportunity to earn college credit through concurrent enrollment while completing their high school requirements.

1. **APPLY** for admission only one time regardless of how many semesters you take classes at JCCC. Go to **admissions.jccc.edu** to start your application.

   For new students, to ensure your eligibility to enroll before the deadline, apply no later than the priority date listed on the calendar in this publication. When your application is processed, you will receive an email that includes your JCCC ID number and login information.

2. **TEST** or place into your College Now courses, if applicable (ex., English, math, science, CNA, etc.)

   To determine if a placement test is required for your course, go to **jccc.edu/collegenow**, and click the **Class Schedules** link to look up available courses for your high school. If a prerequisite or test score is required for your class, it will be noted.

   To assist students, we offer several pathways for students who need to enroll in courses that have a placement test requirement. For information on how to meet the placement requirements for your College Now course, go to **jccc.edu/collegenow**. Click the **Learning more about testing** button to see the testing requirements needed for your course.

   If you have not taken the Accuplacer but meet the placement requirements with an ACT score, high school GPA, or AP test score, click the **Request Placement Waiver** button. If you do not have a qualifying ACT score, HS GPA or AP test score, click the **Schedule Accuplacer Test** button to schedule an appointment to take the Accuplacer placement test at JCCC.

   You will still need to enroll in the class after your placement waiver is issued or after you test and earn a qualifying score.

3. **ENROLL** in classes online or by phone. For enrollment deadline dates, see the calendar in this publication.

   – To enroll online, first go to **jccc.edu/collegenow** and click the Class Schedules link to look up the courses available at your high school. Write down the five-digit CRN numbers of the courses you plan to take.

   – Log in to MyJCCC and click the green Add/Drop Classes button. Select the term "Credit Fall" for fall semester or yearlong courses or "Credit Spring" for spring semester courses.

   – Select the **Enter CRNs** tab on the top left, enter the five-digit CRN numbers for your courses, click Add, then click Agree & Submit.

   – Confirm that your courses show a status of "Registered" to ensure your enrollment was successful.

4. **PAY** tuition at the time of enrollment. Tuition may be paid online by logging in to MyJCCC and selecting the My Finances tab. No payments can be accepted by phone. Students are financially responsible for all charges on their account.

   For more information about paying tuition, tuition rates and student financial responsibility, go to **jccc.edu/WaysToPay**.
