

## **JCCC SME College Now 2021-22 Enrollment Guide**

JCCC's College Now program provides high school students with an opportunity to earn college credit through concurrent enrollment while completing their high school requirements.

1. **APPLY** for admission only one time regardless of how many semesters you take classes at JCCC. Go to <https://www.jccc.edu/admissions/apply/> to start your application.

For new students, to ensure your eligibility to enroll before the deadline, apply no later than the priority date **August 27, 2021**. When your application is processed, you will receive an email that includes your JCCC ID number and login information.

2. **TEST** or place into your College Now courses, if applicable (ex., English, math, science, CNA, etc.).

To determine if a placement test is required for your course, go to [Shawnee Mission East's](#) JCCC College Now page. *If a prerequisite or test score is required for your class, it will be noted below.*

To assist students, we offer several pathways for students who need to enroll in courses that have a placement test requirement. For information on how to meet the placement requirements for your College Now course, go to [jccc.edu/collegenow](https://www.jccc.edu/collegenow). Click the **Learning more about testing** button to see the testing requirements needed for your course. If you have not taken the Accuplacer but meet the placement requirements with an ACT score, high school GPA, or AP test score, click the **Request Placement Waiver** button found at <https://www.jccc.edu/admissions/enrollment/prerequisites.html>.

NOTE: SME students may request a transcript with their ACT score and/or GPA by emailing [MelanieLowe@smsd.org](mailto:MelanieLowe@smsd.org).

If you do not have a qualifying ACT score, HS GPA or AP test score, click the [Schedule Accuplacer Test](#) button to schedule an appointment to take the Accuplacer placement test at JCCC. Deadline is **Sept 17th** but *do it now!* You will still need to enroll in the class after your placement waiver is issued or after you test and earn a qualifying score.
